Prayer as offered by Mr. Arthur Abbott to open the
Town Meeting on March 5, 1974.

"Our Father, make us grateful for the privilege of
meeting to choose those to take the responsibility of our
government. We have to be tolerant of those who make
mistakes and realize that we, too, are subject to wrong
decisions. Guide us to help make the right decisions as
we see them.

Be with our national government in this hour of trial
and decision as we know only You know best.

In Christ's name. Amen."

<i>Unexpended Balances of Appropriations</i>	20,139.59
	<hr/>
<i>Net Overdraft of Appropriations</i>	\$4,226.42

However, included in this overdraft, was an overdraft of \$11,934.08 in the Overlay account. The amount raised for Overlay is determined by the Board of Selectmen and Department of Revenue Administration and is therefore not considered a budgetary appropriation. Tax abatements and discounts allowed on tax payments are charged to this account.

With the elimination of this item from the total overdrafts there was actually a net unexpended balance of budgetary appropriation of \$7,707.66 in 1973 as shown in the following illustration:

<i>Unexpended Balances of Appropriations</i>	\$20,139.59
<i>Total Appropriation Overdrafts</i>	\$24,366.01
<i>Less: Overdraft in Overlay</i>	
<i>Account</i>	11,934.08
	<hr/>
<i>Net Overdraft of Budgetary</i>	
<i>Appropriations</i>	12,431.93
	<hr/>
<i>Net Unexpended Balance of</i>	
<i>Budgetary Appropriations</i>	\$7,707.66

As stated in the Budget Summary (Exhibit 4) for the fiscal year 1972, there was also a net overdraft of appropriations of \$8,201.32 in that year. The town, however, did not operate under the provisions of the Municipal Budget Law during 1972.

Due From Tilton-Northfield Fire District — \$3,088.90:

This amount represents the aggregate sum of overpayments by the Town to the Tilton-Northfield Fire District taxes. Reimbursement of this sum will have to be made to the Town of Tilton by the Fire District during 1974.

Salaries of Officials:

Our examination disclosed that in 1972 the Selectmen received their full annual salaries in the month of May. Likewise, in 1973 two of the Selectmen received their full salaries in the month of July. In this regard, we direct your attention to Chapter 512, Section 7, of the Laws of 1971 which provides, in part, as follows:

"All elected and appointed officials of a municipal corporation shall be paid monies due them for services rendered as approved by a vote of municipality from the time of election, or appoint-

ment, to the expiration of the term of office for which they are elected or appointed. Said monies shall be paid after the services have been rendered either weekly, biweekly, monthly, quarterly, semi-annually, or annually. . . ."

Budget Deficit — 1973:

As stated previously, a net budget deficit of \$25,179.49 was incurred in the General Fund during 1973 (Exhibit 27). The factors which contributed significantly to this deficit are as follows:

1. Failure to raise the 1973 Tilton-Northfield Fire District assessment of \$36,763.39 by property taxes.
2. Failure to raise the town's share of Employee Medical Insurance (\$2,510) as voted by the 1973 Town Meeting.
3. Overdraft of \$11,934.08 in the Overlay account.
4. Appropriation overdraft of \$4,596.72 for interest on Tax Anticipation Notes.

Fortunately, however, net actual revenues realized from sources other than taxes exceeded such revenue estimates by the sum of \$15,672.87. It should be noted that if these excess revenues had not been realized, the Town's financial condition during 1973 would have changed from a current surplus to a current deficit.

We suggest, therefore, that greater care be exercised by the Selectmen in the preparation of the statement of appropriations which is submitted to the Department of Revenue Administration for approval of the annual tax rate.

General Books of Account:

For the two years covered by this examination, the auditors were required to make numerous adjusting entries in order to reconcile recorded detail expenditures to the total disbursements made during the periods. To correct this problem, we recommend that the Treasurer's records be reconciled with the Selectmen's cash pay-

ment book on a monthly basis. This procedure will require submission of a monthly report by the Treasurer to the Selectmen, which report will contain the following information:

- a. Cash balance beginning of month.
- b. Detail listing of the sources of monies received during the month.
- c. Total authorized disbursements made from the Town Treasury during the month.
- d. Cash balance end of month.

The cash balance at the end of the month should be reconciled by the Treasurer to the bank statement submitted by the depository bank.

Adoption of this recommendation will enable prompt discovery of errors in the accounts and permit timely correction thereof.

Conclusion:

The provisions of Chapter 71-a, Section 21, require that the auditors' summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town of Tilton. Publication of the Exhibits contained in this audit report is optional at the discretion of the Board of Selectmen. This letter, however, must be published in its entirety.

We extend our thanks to the officials of the Town of Tilton for their assistance during the course of the audit.

Very truly yours,

FREDERICK E. LAPLANTE

POLICE DEPARTMENT REPORT — 1974

The past year was, by far, the busiest ever for the police department. The following comparisons give an indication of the increased activity:

	1973	1974
Reported Crimes	356	547
Investigating Reported Crimes	737*	1,575*
Value of Property Stolen	\$12,649.35	\$33,255.81
Value of Property Recovered	8,164.00	21,049.68
Felony Crimes Cleared	25%	49%
Misdemeanor Crimes Cleared	34%	50%
Time Spent in Court	405*	587*
Accidents	154	116
Traffic Summons	331	261
Arrests	206	382
Total Calls for Service	2,275	3,714
Patrol Time	6,947*	5,524*
Resignations	11	3

*estimated based on average amount of time required for activity.

The time spent on patrol duty was significantly reduced because of the increased demands of investigating reported crimes. The profitable use of the criminal investigations is apparent in the percentage of crimes solved and the recovery of stolen property. A great deal of assistance, for both patrol and investigation, was obtained from the Belknap County Sheriff's Department.

The department will continue to become more efficient through increased training, greater emphasis on youth-oriented programs, and the retention of experienced officers. Many changes have been made as a result of suggestions and requests from interested citizens, and it is hoped that your interest in the department will continue.

This report is, again, too limited to give more than a brief summary of police activities. Please contact me or any officer with any questions you may have.

REPORT OF TILTON CIVIL DEFENSE

In April 1974, Civil Defense Director Donald Peterson attended a seminar on Emergency Operating Centers at the University of New Hampshire. The two day seminar was informative.

October brought a real emergency situation to Tilton. The water supply to the town was disrupted. Water stations were set up and tankers from the New Hampshire National Guard were brought in to keep the townspeople supplied with drinking and cooking water. Representatives from the Crime Commission were in town to help. The Governor of the state attended meetings to keep informed of the progress of the emergency.

A new shelter was established for Tilton. It is located in the Soldiers Home on Winter Street.

On November 20, 1974 an initial meeting of the heads of local government departments was called to form an Emergency Operating Center for Tilton. Attendance was small. Plans are now in organizational stages for this center.

Through the Civil Defense a 6 by 6 Army Surplus Truck was purchased for the fire department. This is to be converted into a tanker truck.

Civil Defense Director

REPORT TO TOWNS

All open burning when the ground is not covered with snow is controlled by the Town Forest Fire Warden in cooperation with the New Hampshire Forest Fire Service. Anyone wishing to kindle a fire out-of-doors when the ground is not covered with snow must have a written permit signed by the Town Forest Fire Warden. If the fire is to be kindled on land not owned by the person kindling the fire then he must have the permission of the landowner. No outdoor fires can be kindled between 9 A.M. and 5 P.M. unless it is raining, without the additional approval of the District Forest Fire Chief.

The 1974 forest fire season was one of the worst in the past two decades. Woodlands in central and southern New Hampshire became so dry in mid August that the Governor and Council, upon the recommendation of the State Forester, enacted a partial woodlands closure in Sullivan, Cheshire, Hillsborough, Merrimack and Belknap Counties and a complete woodlands closure in Strafford and Rockingham Counties plus the Towns of Barnstead, Gilmanston and Alton in Belknap County. Through the excellent cooperation of the citizens of our State no major forest fire occurred at any time during the year.

CONSERVATION COMMISSION REPORT

The Tilton Conservation Commission members wish to pay tribute to Capt. Frederick Talbot II, Chairman of the Commission since its inception and continuing until ill health forced him to resign the post of chairman.

Because of Fred's interest and concern, he circulated the petition for a Tilton Conservation Commission and guided the passage of the 1971 warrant article which established the Commission in 1972.

Under his leadership we attempted to bring about several improvements for Tilton which would not place a financial burden on the Town.

Due to federal red tape and other obstacles, our efforts were in vain. But in spite of these set-backs and Fred's failing health he never lost his enthusiasm or determination to see the commission serve Tilton in a worthy fashion.

Regretfully, Fred passed away last year. It is our sincere hope that we can help achieve his expectations for the Tilton Conservation Commission.

The Commission meets the first Monday of the month and cordially invites you to drop in and exchange ideas.

TILTON PLANNING BOARD

Town of Tilton

The Tilton Planning Board over the past year has bent its energies in several directions, not the least of which concern the questions appearing in the Town Warrant and on the ballot. The questions concerning numerous changes in the zoning ordinance are hold-overs from the previous year. During the past year we have not found reason to change our opinion of them as being practical and workable.

Another question which will appear on a ballot is concerned with requirements of the National Flood Insurance Program. This is, as of this writing, presently going into the public hearing process which we hope can present more information than is possible here, however, a brief explanation is appropriate.

For some years the Federal Government has been granting flood disaster relief (paid for, of course, by tax money) to persons and establishments in areas susceptible to periodic flooding. Since some of these areas are flooded repeatedly the cost has grown, therefore in an effort to alleviate the matter the government is making available insurance against flood damage to anyone in areas designated as flood prone. To become eligible for insurance buildings in these areas must be constructed in a manner which minimize flood damage. Hence the question on the ballot relating to construction in flood prone areas. The affected areas have not been identified yet, but they will be the only areas in question and in Tilton will be quite limited. As a means of inducement for the public to participate, banks and other lending institutions will be unable to make loans for any purpose in these areas unless the property is covered by the appropriate insurance. Therefore in order to protect

those persons in affected areas an affirmative vote is hoped for on the question relating to construction in flood likely areas.

Work is proceeding on the comprehensive plan being done, to date, by the Lakes Region Planning Commission. This should result in a very substantial saving to the Town, as the \$9,400.00 which was appropriated by the Town several years ago has not been used and has been turned back to the Town. This was to have been only the first of three equal payments. In view of the upcoming sewer construction and extensions a comprehensive plan is most desirable. In the coming year we expect to be circulating a questionnaire to obtain information to help in framing a plan.

Also next year the Board will be working a sign ordinance which has been requested by a number of persons. Dissatisfaction has been expressed about the proliferation of flashing signs along Rt. 3.

Several construction projects are under way in Town all of which appear to be of future benefit to the Town.

The Board has reviewed and approved a number of minor and a few major subdivisions over the past year. In these days of increasing public services it is becoming more and more apparent that the economic impact on the Town of major development must be considered. The effect on future rates of Planning Board decisions cannot be lightly passed over and will not be.

TILTON-NORTHFIELD RECREATION COUNCIL

1974 Annual Report

The end of '74 completes 19 years of organized activities provided by the citizens of Tilton and Northfield. The accomplishments this year include:

A. Center Activities:

The Center under the supervision of David Petelle, Recreation Director is open Monday, Tuesday, Wednesday, and Friday evenings from 6:00 P.M. — 9:00 P.M. and Saturday afternoons from 1:00 P.M. — 4:00 P.M. Ping-pong, pool, tumbling, weight lifting, bumper pool, chess, checkers, and assorted games are available.

The Teen Council sponsored movies and dances January thru June but because adult advisors were unavailable the Teen Council has not been active since June. If there are any adults in the Tilton-Northfield area who might be interested in activating the Teen Council please contact one of the officers.

B. Swimming Program:

Two 4 week periods were provided during the summer months under the direction of Ms. Vicki Marshall. Three 2 hour sessions were held daily Monday-Friday and included courses from beginners to junior life-saving. 7 local youngsters were employed in this program. 123 children participated in this program. The program was concluded with a picnic, contests were held and prizes were awarded.

C. Playground Program:

For 8 weeks under the direction of the Recreation Council, and Playground Co-ordinator Ms. Patricia Laliberte with the help of 8 local youngsters various arts and crafts, indoor and outdoor games were pro-

vided for 3 hours in the morning daily Monday-Friday. Approximately 65 children attended this program. Special events included trips to Tilton 500, Dairy Queen Minature Golf, Daniel Webster Birthplace, Upside down Covered Bridge, Squam Lake Science Center, Mt. Washington Boat Ride, Wellington State Park, and the Tilton Animal Village. These trips were made possible by a carnival which was sponsored by the children and donations from local citizens.

The youngsters of the playground and swimming program built a float and participated in the Franklin Hospital Lawn Party parade.

D. Ski Program:

The Council sponsored two 5 week programs at the Highland Ski Area on Saturday mornings. Approximately 25 youngsters participated in this program. The Council co-ordinates the Ski Program with the Highland Ski Area thereby obtaining a low cost group rate which the participants pay for themselves.

E. Babe Ruth Baseball:

The Council sponsored a ball team playing in the Twin Rivers League. The boys had an opportunity to play against good competition, some also had the opportunity to play on the All Star Team. Our congratulations to this fine team and their Coaches, Donald Stevens and Clyde Vittum. At the end of the season the Council hosted a banquet for the team members and their parents at which time trophies were awarded.

F. Special Events:

1. Teen Council Bike-A-Thon. In May the Teen Council held a 20 mile Bike-A-Thon. The returned pledges amounted to \$800.00 which the Teen Council donated to the Tilton-Northfield Recreation Council Building Fund.

2. Red Sox Baseball. Approximately 100 youngsters attended a Red Sox Baseball game in June. Prior to

attending the game they were given a tour of the Boston Coast Guard Station.

3. Halloween Party. This was initiated by the Tilton-Northfield Police Departments, the Selectmen, Recreation Council, the Tilton-Northfield Fire Department and co-ordinated by Paul Paquette. All took part on this night of spooks and goblins. A parade with sirens and lights and a walk through Main Street brought the youngsters to the Recreation Center. Beverages, apples, cookies, and candies were distributed to all. Later in the evening a live band at the Winnisquam Regional High School played to a large group of teenagers, who also had free beverages and foodstuffs.

Many thanks to the many merchants, companies, individuals, and organizations who donated funds or provided goods to make this evening possible.

"Thank you" to those individuals and groups who have helped the Council provide activities throughout the year. Special thanks to the taxpayers of our communities whose support continues to make recreation programs available.

All interested citizens are welcome to attend our regular monthly meeting, the first Tuesday of every month. We meet at 7:30 P.M. at the Recreation Center at the Tilton Town Hall.

HALL MEMORIAL LIBRARY
Tilton-Northfield, N. H.

Report of the Librarian — 1974

Better service to a greater number in the community continues to be the rule at Hall Memorial. All areas — circulation, patron registration, new books and records — have grown rapidly, and the exact figures for the year are given below. We have been particularly fortunate in the gift of children's books by the Woman's Club of Tilton-Northfield, as well as in gifts, either directly or as Memorial Books, by individuals. Had it not been for these very generous donations, particularly in the field of books for the children (an area where Hall Memorial has circulated more books than Franklin Public Library), the rising cost of new materials would have prevented the purchase of many new additions currently on our shelves.

As well as being active, the library's interior has been refurbished by the installation of wall-to-wall carpeting, new chairs, and a display case for the front lobby, purchased with special funding appropriated at Tilton's 1974 Town Meeting. The Friends of the Library (who provided our Christmas decorations, as well as holding their booksale, annual tea, and sponsoring speakers) provided continuing evidence of community involvement as well as additional funds for refurnishing and other projects. Many of the Friends helped with summer programs for the young people, including Mystery Question and Local Landmark contests, a Half-a-Story-hour, and the taping of cassette versions of children's books, enabling young readers to look and listen — a feature which will become a permanent part of the library's offerings in the year ahead. To help beginning readers, we are now marking books for their level with special identifying tape on the binding. For parents and teachers of children with learning disabilities, we were

privileged to have a wide selection of materials on a three-month loan from the Laconia chapter of the New Hampshire Association for Children with Learning Disabilities. The library also continues to provide both books and basic library skills for primary school children who come with their classes.

Hall Memorial has joined with neighboring public and school libraries to form a book purchasing cooperative. Scrooge and Marley (Service Center Region Organized to Overcome Growing Expenses and Multiply Available Revenues for Libraries by Enlarging their Yield) is an association of libraries in Sanbornton, Franklin, Hill, Andover and East Andover, Tilton School, Bristol, New Hampton and Tilton-Northfield. The combined purchasing power of these libraries enables us all to share in an increased discount from the cooperative's jobber, and is one way of fighting the increasing cost of books.

1974 Statistics:

1. Circulation:

a. Adult	6,932	
b. Juvenile	9,309	
c. Bookmobile	2,487	
d. Records	1,734	
e. Periodicals	496	
f. Requested from State Library	153

Total:	21,111	(1973—18,265)

2. Accessions:

a. Adult books	285	
b. Juvenile books	111	
c. Records	93	
d. Gifts	225	(1973—113)

3. Current patron registration (as of 12/31/74)

a. Adult	895
b. Juvenile	830
<hr/>	
Total:	1,725

In using the library, both as patrons as meeting as groups, the community is providing the stimulus for the ongoing growth of Hall Memorial, and it is my hope that the library will continue to meet that challenge and responsibility.

The woman's missionary group of the Congregational Church gave a sum of money to buy new instruments for the nurses office.

Improvements have been made in the nurses office this year. Mrs. Theresa Schneider graciously donated enough good used carpeting to cover the office floors, and Mr. Jackson kindly installed the carpeting free of charge. Also the office furniture has all been repainted.

Many deserving people received gifts, Christmas dinners and fruit baskets, during Thanksgiving and Christ-

mas, provided by the American Legion, Rotary, Elks, Congregational Church, Methodist Church, Lockmere Baptist Church, Friendship Grange, Future Homemakers, Girl Scouts, Salvation Army and Anonymous individuals.

More patient referrals are being sent to our office by Doctors and hospital personnel. There were 198 more visits made this year than last year.

I wish to extend my appreciation to all organizations and individuals that have assisted me in any way to carry on the work of the District Nursing Association.

Respectfully submitted,
ELLEN MAXWELL, R.N.
